

SPONSORSHIP OPPORTUNITY

Scambio di Lingue is a multi-cultural, mixed Touch Rugby team based in Padova, in the Italian northeast. Our ethos revolves around the fundamental principle that sport can be used as a vehicle to break down boundaries and facilitate social integration in the local community.

Our club is the biggest of its kind in Italy, ranking 2nd in the 2022/23 Italian championship. We are also well-known throughout Europe having finished 11th place in the 2022 European Championships.

As well as being a force on the field, the Scambio is also famous for its community service.

In December of 2021 our association was recognised by the Padova City Council for its

“outstanding contribution to the regeneration of Padova City Centre”.

And then in May 2022 we earned recognition and funding from the European Union for promoting

“values of solidarity and mutual respect among peoples”.

With so many Italians and non-Italians in our club, we have a firm footing in both the **international** and **local** communities of Padova. We host regular **“Language Exchange”** events that commonly attract hundreds of people. Our demographic means that we are ideally positioned to appeal to a range of businesses from international organisations to local firms.

If you are interested in collaborating with us, please read on.

FISCAL BENEFITS FOR COMPANIES

Every donation to a good cause makes a difference. In most European countries, supporting a charity or a general interest organization is encouraged by the tax authorities.

In Italy, for example, companies receive a tax deduction of 19% on the amount paid.

Once you have decided on the package that best suits your company, you can reach out to our treasurer who will provide you with an invoice:

Scambio di Lingue thanks you for your support!

We hope to see you soon on the sideline of one of our games.

Stay updated on our fixtures through our website and social media pages!
